Official exams

Demonstrate your progress and certify your knowledge!

TLCdénia is an official examination centre for three exams: DELE, SIELE and CCSE.

DELE

The DELE exam is internationally recognized, and enjoys great prestige not only among public and private educational institutions and authorities, but also in the business world and chambers of commerce. In many countries, the DELE has been adopted by departments of education and official institutions of learning as a complement to their own assessment programmes. They are ideal for furthering your career and access to education, both in Spain and in other countries.

SIELE

SIELE is the Servicio Internacional de Evaluación de la Lengua Española which certifies electronically the proficiency and command of the Spanish language for students and professionals.

As an advantage over DELE, it is a single multilevel exam you can take at any time, and you can select which skills you need to be tested on and get the results quicker.

CCSE

This exam tests Spanish culture and constitution knowledge rather than Spanish language. To apply for Spanish nationality you need to pass this exam, as well as reaching at least an A2 level in the DELE exam.

Exam preparation:

As an examination centre, our teachers are experts in preparing our students to pass the exams. Trust our team to help you prepare for your Spanish certification with guarantees.
